

Eric Krusinski

343 Eric Lane, Wadsworth, Ohio 44281 | 330-571-0382 | ekrusins@hotmail.com | ekrusinski.com

Summary

Experienced engineer ready to transition to a football analytics or related role that meshes my technical background with my passion for football. Demonstrated many examples as a leader, a strong team player, and motivator. My ability to quickly learn and adapt to change has allowed me to acquire multiple skill sets, and my passion, strong work ethic, and determination have been the fuel to drive my successes. I encourage you to check **ekrusinski.com** for more details.

Accomplishments and Skills

- Developed an SQL-based pro football database with predictive model
- Volunteer at the Pro Football Hall of Fame
- Participated in the 2025 NFL Big Data Bowl
- Was a mentor to 13 co-ops and one full-time engineer.
- Granted 2 patents.
- Completed cost reduction projects in 2023 and 2024 expected to save over \$1,000,000 per year
- Was a project manager for a product that sold over 100,000 units per year.
- Organized weekly flag football games for company employees.
